### Decorative Street Signs at Grand Palm

The construction of the Grand Palm community in Venice is currently underway. Grand Palm, a Neal Communities development, is taking place of the existing StoneyBrook community and will consist of four neighborhoods and a village center home to shops and offices.

Grand Palm is conveniently located at the intersection of Center Road and River Road in Venice next to Plantation Golf & Country Club and Venice Middle School.

The community is projected to have nearly 2,000 homes and be a highly desirable community for both young professionals and families. Community amenities will include a recreation center, two swimming pools and a 39 acre lake featuring kayaking, canoeing and an 8 acre island for bike riding, hiking, fishing and more.

Creative Mailbox & Sign Designs designed and installed decorative street signs for the entire community. These custom street signs have a royal blue background and high intensity white reflective graphics. The signs sit on top of powder coat white, square aluminum posts.

Creative also provided the stop signs, speed limit signs and other miscellaneous street signage for the 1,005 acre property.

## Featured Project Fairfield

In September, Fairfield, one of more than 25 Neal Communities throughout Southwest Florida, opened its doors to new residents. Located in the heart of Bradenton, just minutes away from dining, shopping and beautiful beaches, this villa community represents the “ultimate vacation-style living”.

Creative Mailbox & Sign Designs was happy to team up with Neal Communities to design, fabricate, and install cluster style mailbox units and a custom exterior sign package for the community. This package included decorative street signs and address plaques adding some serious curb appeal to the neighborhood!

In addition Creative completed the marketing signs, signs for the spa and pool areas and other miscellaneous amenity signs. Creative also designed the monument sign face that adds to the beautifully landscaped entryway.
