Entryway for Overlook at Hamlin

[Overlook at Hamlin](#) is [Taylor Morrison](#)'s newest neighborhood situated on more than 640 acres of lakeside property just miles north of Walt Disney World and downtown Orlando. Upon its completion, Overlook at Hamlin will offer a collection of unique floor plans ranging from 1,600 to more than 5,100 square feet. Home owners can enjoy miles of biking and walking trails, watersports and fishing on the lake, and dining and shopping at the town center.

Creative Mailbox & Sign Designs was happy to work with Taylor Morrison to provide a custom entryway for the new community. The entryway's aluminum cabinets were finished to resemble the oxidized appearance of Corten steel. Reverse LED-illuminated channel letters are attached to each cabinet and then using anchors, each cabinet is installed directly to the masonry base provided by [Seminole Masonry, Inc.](#) of Oviedo, Florida.

Featured Project

Sunset Bay Home Owner's Association

Sunset Bay is a private, custom-built home community located in Windermere, Florida. The tight knit community is surrounded by lakes and ponds and was built so almost every home sits on more than one acre of land. Most homes in the community are privately gated, lushly landscaped and positioned to have sweeping lakefront views.

Creative Mailbox & Sign Designs was happy to work with Sunset Bay Home Owner's Association to provide new custom street signage for the community. The association chose to have black powder coated backers, leaving a one inch border around the sign. All other components including the fluted poles and custom finials are powder coated mineral black to complement to provide an all-around cohesive look.

The new street signs spruce up the appearance of the Sunset Bay neighborhood while not taking away from its charm.
