Entryway Monument for
The Enclave at Bear Lake

[The Enclave at Bear Lake](#) is a new single-family home community located in Apopka, Florida, in the heart of the local Maitland shopping, dining, and business districts. All 35 homes in the community, built by [M/I Homes](#), are Eco Fusion style homes and offer the benefits of maintenance free townhome living.

Creative Mailbox & Sign Designs had the opportunity of working with M/I Homes to provide a custom entryway monument for the new community. On the face of the monument is the Enclave at Bear Lake logo which is 2" routed High Density Urethane (HDU) foam. The lettering is 1/4"-thick, painted aluminum. [Seminole Masonry, Inc.](#) of Oviedo provided simulated marble tile to finish the face of the monument.

This monument will welcome homeowners and visitors of The Enclave at Bear Lake for years to come.

Project

Mailboxes for The
Hamptons - MetroWest

[The Hamptons](#) is one subdivision of [MetroWest](#), a master-planned, residential community located southwest of downtown Orlando. The community surrounds MetroWest Golf Club and is spread out over nine single-family home subdivisions, 15 condominium complexes, and nine apartment complexes totaling over 9,000 homes as of 2013.

Creative Mailbox & Sign Designs teamed up with Copper Shark Constructors of Orlando to provide 126 new mailboxes for The Hamptons. The Hamptons Homeowner Association decided on a cast aluminum mailbox product. All of the custom mailbox components were welded, assembled, powder coated and installed by Creative Mailbox & Sign Designs throughout the month of January.

The new mailboxes certainly spruced up the community and all homeowners were satisfied with the improvement.
